 Subject: Re: Stockpile amendment review

Hi Tom,

For the most part, the area is on Private, patented land. There is a small sliver on the north east section (see map IM-0100-10), which is the Tiger No. 3 claim, T 36 S R 13 W Sections 19 and 30. This is unpatented land, claimed with the BLM by Palladon as a lode claim (page 104 of the previously submitted 43-101). If this will be a problem, what Palladon will do is go ahead with the bonding, and just stake out that section as untouchable.

Thanks for your help,

-Alysén
